

**EXHIBIT "D"**

**DISCLOSURE NOTICE**

This Disclosure Notice (this "Notice") is a statement by Owner of the condition of the Property made as of the date of this Notice. This is not a substitute for any inspections any tenant or purchaser may make or for warranties that may be made by others. **To best of Owner's knowledge**, other than disclosed by Owner in this Notice: (1) the Property does not have any material latent, structural, or construction defects; (2) the Property is not contaminated with Hazardous Materials in violation of applicable laws and regulations; (3) none of the improvements on the Property has been constructed of materials known to be a potential health hazard to occupants of the Property; and (4) the following information is true and correct in all material respects, and Owner has included any material fact concerning the Property of which Owner is aware. **These representations are not warranties or guarantees by Owner.** Owner authorizes the Brokers to disclose to any tenant or purchaser all information about the condition of the Property whether disclosed to the Brokers by Owner orally or in writing (by this Notice or otherwise), or otherwise discovered. Owner shall advise any tenant or purchaser and the Brokers of any other material fact or condition, not reported here, that may arise or become known to Owner before the Closing. These representations are made by Owner only and are not representations of the Brokers. Owner acknowledges that any tenant or purchaser and the Brokers will be relying upon the accuracy and completeness of this information.

**Please answer all questions.** If the answer to any question is "Yes," explain on a separate sheet.
